

DELAY FORM

At certain times throughout the school year, the start of school must be delayed. All of these delays are unplanned as they are dictated by weather conditions. Please help the district confirm your child's transportation plans for "delay days" by answering the questions below.

This information is needed only if your child must be dropped off at a stop other than the one in which they are permanently assigned.

Telephone number of parent or guardian _____

Telephone number of baby-sitter _____

Student name _____ Permanent Bus number _____

Delay instructions: (Where to pick up your child, address, phone number, and name of person responsible for sending your child).

Please list any other information that will enable us to establish the closest bus route.

Signature of parent or guardian

Date: _____
