

Halifax Area School District
Elementary School Feasibility Study
September 2016

Goals for the Feasibility Study

What is your primary goal for this feasibility study?

What issue(s) would you like to see our team address in the study?

In what areas of education would you most like to see your school improved?

Are there subjects or activities that you would like to offer your students that you feel are unobtainable due to your facilities or site limitations?

How do you define a 21st Century Elementary School?
