

Halifax Area School District Device Agreement

I acknowledge that we have received the following documents with my child's device and will ensure that we have read and understood them, in full, prior to my child bringing their device to school for the first time.

- Halifax Area School District Chromebook Guide
- Halifax Area School District Device Agreement
- Halifax Area School District Acceptable Use Policy

Student Agreement

As a learner, I agree that I will:

- Use my device for educational purposes.
- Follow the procedures and policies outlined in the Chromebook Guide and Halifax Area School District Acceptable Use Policy both at school and at home.
- Protect my device and prevent careless or malicious damage.
- Never leave my device unattended in an unsecure or unsupervised location.
- Charge my device's battery to full capacity each night.
- Report all damages to or issues with my Chromebook to the school IT Dept.
- Not alter or attempt to change, disable, or circumvent the management settings, content filters, or virus protection software on my device.
- Never share my device with other students or individuals. I understand that any violation of this agreement may result in the suspension or loss of my Chromebook and school network privileges. Additionally, I may face disciplinary action for such violations up to and including suspension or expulsion.

Parent Agreement

I understand that my family's responsibilities include:

- Ensuring my child meets the expectations outlined in the Chromebook Guide and the Halifax Area School District Acceptable Use Policy.
- Protecting the device, within reason, against damage, loss or theft while it is at home or outside of school.
- Ensuring my child immediately reports damage to the school IT Dept.

In consideration of the privileges and opportunities afforded by the use of HASD technology resources, I hereby release the HASD, its employees and directors from any and all claims of any nature arising from my child's use or inability to use these resources, including but not limited to claims that may arise from unauthorized use of a device.

I also understand that it is impossible for Halifax Area School District to restrict access to all controversial materials and I will not hold the District responsible for materials accessed with a District device.

I accept full responsibility for my child's use of the device while not in a school setting and understand that my child's Chromebook use is subject to the same rules and requirements when used off-campus. I understand that my child's device privileges may be suspended or revoked for violation of this Agreement. I also understand that my child may be subject to disciplinary action up to and including suspension or expulsion for such violations. There may be a charge for damage to devices (see HASD Chromebook Guide).
